

Coneyboro Residents

Looking out for one another

Coneyboro estate is now in the Neighbourhood Watch scheme with **Michael Garbutt** as the Liaison Officer. This is an important development and will assist in keeping the area safe and in a better position to prevent burglary, speeding and antisocial behaviour.

New signs have been erected which will act as a deterrent for criminals but the main method of crime prevention is by being a good neighbour and watching out for neighbours houses, children and the elderly. Out thanks to Cllr Richard Daly who has kindly sponsored the signs.

Further information on the Neighbourhood Watch scheme is available on www.athylive.com/coneyboro. Each household is also being given a Garda checklist to assess the security measures you might like to check.

If you have any questions on the Neighbourhood Watch scheme call Michael on **086-0756191**

We have noticed some potholes in the estate and have effected temporary repairs with the help of Michael Garbutt and Maurice Rodgers

If you would like to be involved in your residents association contact
Chairman: Mr. Michael Garbutt **086-0756191**
