

# Coneyboro Residents

# Take it Easy

The residents of Coneyboro have constantly requested some notices to be placed for drivers to remind them to **slow down** when driving in the estate and this week they have been put up.

We know that signs alone will not get traffic to slow but it will act as a reminder and might encourage us all to take more care in the estate for the sake of our children and pedestrians.

In the photos Mick Garbutt and Maurice Rodgers who erected signs with Cllr Richard Daly who sponsored a section of the signs

If you would like to be involved in your residents association contact
